*Funding from new and existing investors including Viking Global Investors, Commodore Capital, Frazier Life Sciences, Venrock Healthcare Capital Partners, New Enterprise Associates (NEA), and Nextech*

*Pro forma cash and investments expected to fund current operating plan into late 2026*

SOUTH SAN FRANCISCO, Calif. and SAN DIEGO, Jan. 22, 2024 (GLOBE NEWSWIRE) -- ORIC Pharmaceuticals, Inc. (Nasdaq: ORIC), a clinical stage oncology company focused on developing treatments that address mechanisms of therapeutic resistance, today announced that it has agreed to sell approximately 12.5 million shares of its common stock to a select group of institutional and accredited healthcare specialist investors in a private placement, at a price per share of \$10.00, representing a premium of approximately 10% to ORIC's 5-day trailing average price. The financing is expected to close on January 23, 2024, subject to customary closing conditions. ORIC anticipates the gross proceeds from the private placement to be approximately \$125 million, before deducting any offering related expenses.

The financing includes participation from new and existing institutional investors, including Viking Global Investors, Commodore Capital, Frazier Life Sciences, Venrock Healthcare Capital Partners, NEA, and Nextech<sup>1</sup>.

ORIC intends to use the net proceeds from the proposed financing to fund research and development of its clinical-stage product candidates and research programs and for working capital and general corporate purposes. The proceeds from this financing, combined with current cash, cash equivalents and marketable securities, is expected to be sufficient to fund the current operating plan into late 2026.

The securities described above have not been registered under the Securities Act of 1933, as amended. Accordingly, these securities may not be offered or sold in the United States, except pursuant to an effective registration statement or an applicable exemption from the registration requirements of the Securities Act. ORIC has agreed to file a registration statement with the U.S. Securities and Exchange Commission (the "SEC") registering the resale of the shares of common stock issued in this private placement. Any offering of the securities under the resale registration statement will only be made by means of a prospectus.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

### **Cautionary Note Regarding Forward-Looking Statements**

This press release contains forward-looking statements as that term is defined in Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Statements in this press release that are not purely historical are forward-looking statements. Such forward-looking statements include, among other things, the timing and expectation of the closing of the private placement; the satisfaction of customary closing conditions related to the private placement and the anticipated use of proceeds therefrom; and the period over which ORIC estimates the proceeds from the private placement, combined with its existing cash, cash equivalents and marketable securities, will be sufficient to fund its current operating plan. Words such as "believes," "anticipates," "plans," "expects," "intends," "will," "goal," "potential" and similar expressions are intended to identify forward-looking statements. The forward-looking statements contained herein are based upon ORIC's current expectations and involve assumptions that may never materialize or may prove to be incorrect. Actual results could differ materially from those projected in any forward-looking statements due to numerous risks and uncertainties, including but not limited to: risks associated with the process of discovering, developing and commercializing drugs that are safe and effective for use as human therapeutics and operating as an early clinical stage company; ORIC's ability to develop, initiate or complete preclinical studies and clinical trials for, obtain approvals for and commercialize any of its product candidates; changes in ORIC's plans to develop and commercialize its product candidates; the potential for clinical trials of ORIC-533, ORIC-114, ORIC-944 or any other product candidates to differ from preclinical, initial, interim, preliminary or expected results; negative impacts of health emergencies, economic instability or international conflicts on ORIC's operations, including clinical trials; the risk of the occurrence of any event, change or other circumstance that could give rise to the termination of ORIC's license and collaboration agreements; regulatory developments in the United States and foreign countries; ORIC's reliance on third parties, including contract manufacturers and contract research organizations; ORIC's ability to obtain and maintain intellectual property protection for its product candidates; the loss of key scientific or management personnel; competition in the industry in which ORIC operates; general economic and market conditions; and other risks. Information regarding the foregoing and additional risks may be found in the section entitled "Risk Factors" in ORIC's Quarterly Report on Form 10-Q filed with the SEC on November 6, 2023, and ORIC's future reports to be filed with the SEC. These

forward-looking statements are made as of the date of this press release, and ORIC assumes no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements, except as required by law.
