**PROXY STATEMENT
FOR 2022 VIRTUAL ANNUAL MEETING OF STOCKHOLDERS
To Be Held at 8:00 a.m. Pacific Time on June 17, 2022**

This proxy statement and the enclosed form of proxy are being furnished in connection with the solicitation of proxies by our board of directors for use at our 2022 Annual Meeting of Stockholders (and any postponements, adjournments or delays thereof, the Annual Meeting). You will be able to attend the Annual Meeting virtually by visiting www.proxydocs.com/ORIC, where you will be able to listen to the Annual Meeting live, submit questions and vote online by entering the control number on your Notice or proxy card.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

The information provided in the “question and answer” format below addresses certain frequently asked questions but is not intended to be a summary of all matters contained in this proxy statement. Please read the entire proxy statement carefully before voting your shares.

Why am I receiving these materials?

The board of directors is providing these proxy materials to you in connection with its solicitation of proxies for use at ORIC’s Annual Meeting, which will take place on June 17, 2022. Stockholders are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement. This proxy statement and the accompanying proxy card are being made available on or about April 27, 2022 in connection with the solicitation of proxies on behalf of the board of directors.

What proposals will be voted on at the Annual Meeting?

There are two proposals scheduled to be voted on at the Annual Meeting:

- the election of the two Class II directors named in this proxy statement to serve until the 2025 annual meeting of stockholders or until their successors are duly elected and qualified or until their earlier death, resignation or removal; and
- the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022.

At the time this proxy statement was made available, our management and board of directors were not aware of any other matters to be presented at the Annual Meeting other than those set forth in this proxy statement and in the notice accompanying this proxy statement.

How does our board of directors recommend that I vote?

The board of directors recommends that you vote:

- FOR the two Class II directors named in this proxy statement to serve until the 2025 annual meeting of stockholders or until their successors are duly elected and qualified or until their earlier death, resignation or removal; and
- FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022.

Who is entitled to vote at the Annual Meeting?

Holders of our common stock at the close of business on April 18, 2022, the record date for the Annual Meeting (the Record Date), are entitled to notice of and to vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of our common stock held as of the Record Date. As of the Record Date, there were 39,440,399 shares of common stock outstanding and entitled to vote. Stockholders are not permitted to cumulate votes with respect to the election of directors. The shares you are entitled to vote include shares that are (1) held of record directly in your name, and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

What do I need to do to attend the Annual Meeting virtually?

You will be able to attend the Annual Meeting virtually, submit your questions during the meeting and vote your shares electronically at the meeting by visiting www.proxydocs.com/ORIC. To participate in the Annual

Meeting, you will need the control number from your Notice or proxy card. The Annual Meeting webcast will begin promptly at 8:00 a.m. Pacific Time. We encourage you to access the meeting prior to the start time. Online check-in will begin at 7:45 a.m. Pacific Time, and you should allow ample time for the check-in procedures.

If you encounter any difficulties accessing the Annual Meeting during check-in, please call the technical support number that will be posted on the virtual meeting website.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record: Shares Registered in Your Name. If, at the close of business on the Record Date, your shares were registered directly in your name with Computershare Trust Company, N.A., our transfer agent, then you are considered the stockholder of record with respect to those shares. As the stockholder of record, you have the right to grant your voting proxy directly to the proxy holders designated by our board of directors or to vote in person (including virtually) at the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If, at the close of business on the Record Date, your shares were held not in your name but rather in a stock brokerage account or by a bank or other nominee on your behalf, then you are considered the beneficial owner of shares held in “street name.” As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares by following the voting instructions your broker, bank or other nominee provides. If you do not provide your broker, bank or other nominee with instructions on how to vote your shares, your broker, bank or other nominee may, in its discretion, vote your shares with respect to routine matters but may not vote your shares with respect to any non-routine matters. Please see “*What if I do not specify how my shares are to be voted?*” for additional information.

Do I have to do anything in advance if I plan to virtually attend the Annual Meeting?

Stockholder of Record: Shares Registered in Your Name. If you were a stockholder of record at the close of business on the Record Date, you do not need to do anything in advance to virtually attend and/or vote your shares electronically at the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you were a beneficial owner at the close of business on the Record Date, you may not vote your shares electronically at the Annual Meeting unless you obtain a “legal proxy” from your broker, bank or other nominee who is the stockholder of record with respect to your shares. Please follow the instructions for obtaining a legal proxy provided to you by your broker, bank or other nominee.

How do I vote and what are the voting deadlines?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record, you can vote in one of the following ways:

- **You may vote via the Internet.** To vote via the Internet, go to www.proxypush.com/ORIC to complete an electronic proxy card. You will be asked to provide the control number from the Notice or proxy card you receive. If you vote via the Internet, you do not need to return a proxy card by mail.
- **You may vote by telephone.** To vote by telephone, dial toll-free 866-895-6921 and follow the recorded instructions. You will be asked to provide the control number from the Notice or proxy card you receive. If you vote by telephone, you do not need to return a proxy card by mail.
- **You may vote by mail.** If you receive proxy materials by mail and would like to vote by mail, you need to date and sign the proxy card that accompanies this proxy statement and promptly mail it to the tabulation agent in the enclosed postage-paid envelope so that it is received no later than June 16, 2022. You do not need to put a stamp on the enclosed envelope if you mail it from within the United States.

[Table of Contents](#)

The persons named in the proxy card will vote the shares you own in accordance with your instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter to be voted on at the Annual Meeting, the persons named in the proxy card will vote the shares you own in accordance with the recommendations of the board of directors. The board of directors recommends that you vote **FOR** the election of each of the two Class II directors nominated by our board of directors and named in this proxy statement and **FOR** the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022.

- **You may vote electronically while attending the Annual Meeting virtually.** If you plan to attend the Annual Meeting by visiting www.proxydocs.com/ORIC, you may vote electronically during the Annual Meeting. Please have your Notice or proxy card in hand when you visit the website.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you are the beneficial owner of shares held of record by a broker, bank or other nominee, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee how to vote your shares. The availability of Internet and telephone voting options will depend on the voting process of your broker, bank or other nominee. **As discussed above, if you are a beneficial owner, you may not vote your shares electronically at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.**

Can I change my vote or revoke my proxy?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record, you may revoke your proxy or change your proxy instructions at any time before your proxy is voted at the Annual Meeting by:

- entering a new vote by Internet or telephone;
- signing and returning a new proxy card with a later date;
- delivering a written revocation to our Secretary at ORIC Pharmaceuticals, Inc., 240 E. Grand Ave, 2nd Floor, South San Francisco, California 94080, by 11:59 p.m. Eastern Time on June 16, 2022; or
- attending the Annual Meeting virtually and voting electronically during the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you are the beneficial owner of your shares, you must contact the broker, bank or other nominee holding your shares and follow their instructions to change your vote or revoke your proxy.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our board of directors. The persons named in the proxy have been designated as proxy holders by our board of directors. When a proxy is properly dated, executed and returned, the shares represented by the proxy will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our board of directors. If any matters not described in this proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is postponed or adjourned, the proxy holders can vote your shares on the new meeting date, unless you have properly revoked your proxy, as described above.

Why did I receive a Notice instead of a full set of proxy materials?

In accordance with the rules of the Securities and Exchange Commission (“SEC”) and to help reduce the environmental impact of the Annual Meeting, we have elected to furnish our proxy materials, including this

[Table of Contents](#)

proxy statement and our annual report, primarily via the Internet. The Notice is first being mailed on or about April 27, 2022 to all stockholders entitled to vote at the Annual Meeting.

Stockholders may request to receive all future proxy materials in printed form by mail or electronically by email by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of our proxy materials on the Internet to help reduce the environmental impact and the costs of our annual meetings of stockholders.

What if I do not specify how my shares are to be voted?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record and you submit a proxy but you do not provide voting instructions, your shares will be voted:

- “FOR” the election of the two Class II directors named in this proxy statement to serve until the 2025 annual meeting of stockholders or until their successors are duly elected and qualified or until their earlier death, resignation or removal (“Proposal No. 1”);
- “FOR” the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022 (“Proposal No. 2”); and
- In the discretion of the named proxy holders regarding any other matters properly presented for a vote at the Annual Meeting or any adjournments or postponements thereof.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you are a beneficial owner and you do not provide your broker, bank or other nominee that holds your shares with voting instructions, then your broker, bank or other nominee will determine if it has discretion to vote on each matter. Brokers do not have discretion to vote on non-routine matters. Proposal No. 1 is a non-routine matter and Proposal No. 2 is a routine matter. As a result, if you do not provide voting instructions to your broker, bank or other nominee, then your broker, bank or other nominee may not vote your shares with respect to Proposal No. 1, but may, in its discretion, vote your shares with respect to Proposal No. 2. For additional information regarding broker non-votes, see “*What are the effects of abstentions and broker non-votes?*” below.

What are the effects of abstentions and broker non-votes?

An abstention represents a stockholder’s affirmative choice to decline to vote on a proposal. If a stockholder indicates on its proxy card that it wishes to abstain from voting its shares on a proposal, or if a broker, bank or other nominee holding its customers’ shares of record causes abstentions to be recorded for shares on a proposal, these shares will be considered present and entitled to vote at the Annual Meeting. As a result, abstentions will be counted for purposes of determining the presence or absence of a quorum and will also count as votes against a proposal in cases where approval of the proposal requires the affirmative vote of a majority of the voting power of the shares present in person (virtually) or represented by proxy at the Annual Meeting and entitled to vote on the subject matter (*e.g.*, Proposal No. 2). However, because the outcome of Proposal No. 1 (election of directors) will be determined by a plurality vote, abstentions will have no impact on the outcome of such proposal as long as a quorum exists.

A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to such proposal and has not received voting instructions from the beneficial owner of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting but will not be counted for purposes of determining the number of votes cast. Therefore, a broker non-vote will make a quorum more readily attainable but will not otherwise affect the outcome of the vote on any proposal.

[Table of Contents](#)

What is a quorum?

A quorum is the minimum number of shares required to be present (including virtually) at the Annual Meeting for the meeting to be properly held under our bylaws and Delaware law. A majority of the shares of common stock outstanding and entitled to vote, in person (including virtually) or by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. As noted above, as of the Record Date, there were a total of 39,440,399 shares of common stock outstanding, which means that 19,720,200 shares of common stock must be represented in person (including virtually) or by proxy at the Annual Meeting to have a quorum. If there is no quorum, a majority of the shares present at the Annual Meeting or the chairperson of the Annual Meeting may adjourn the meeting to a later date.

How many votes are needed for approval of each proposal?

- *Proposal No. 1:* The election of two Class II directors requires a plurality of the voting power of the shares present in person (virtually) or represented by proxy at the Annual Meeting and entitled to vote on the election of directors to be approved. This means that the two nominees who receive the most FOR votes will be elected. You may vote FOR or WITHHOLD for each of the nominees. Any shares not voted FOR a particular nominee (whether as a result of voting withheld or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election.
- *Proposal No. 2:* The ratification of the appointment of KPMG LLP requires an affirmative vote of a majority of the voting power of the shares present in person (virtually) or represented by proxy at the Annual Meeting and entitled to vote on the subject matter (*i.e.*, Proposal No. 2) to be approved. You may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on Proposal No. 2, the abstention will have the same effect as a vote AGAINST the proposal.

How are proxies solicited for the Annual Meeting and who is paying for such solicitation?

Our board of directors is soliciting proxies for use at the Annual Meeting by means of the proxy materials. We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing, mailing and distribution of the proxy materials. Copies of solicitation materials will also be made available upon request to brokers, banks and other nominees to forward to the beneficial owners of the shares held of record by such brokers, banks or other nominees. The original solicitation of proxies may be supplemented by solicitation by telephone, electronic communication, or other means by our directors, officers, employees or agents. No additional compensation will be paid to these individuals for any such services, although we may reimburse such individuals for their reasonable out-of-pocket expenses in connection with such solicitation.

If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur.

What does it mean if I received more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each Notice to ensure that all of your shares are voted.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within ORIC or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

We have adopted a procedure approved by the SEC called “householding,” for stockholders who receive proxy materials by mail, under which we can deliver a single copy of the proxy materials and annual report to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces our printing and mailing costs. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will promptly deliver a separate copy of the proxy materials and annual report to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy, or, if you are receiving multiple copies, to request that we only send a single copy of next year’s proxy materials and annual report, you may contact us as follows:

ORIC Pharmaceuticals, Inc.
Attention: Secretary
240 E. Grand Ave, 2nd Floor
South San Francisco, California 94080
(650) 388-5600

Stockholders who hold shares in street name may contact their brokerage firm, bank, broker-dealer or other nominee to request information about householding.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results may be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us at that time, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an amendment to the Form 8-K to publish the final results.

What is the deadline to propose actions for consideration at next year’s annual meeting of stockholders or to nominate individuals to serve as directors?

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2023 annual meeting of stockholders, our Secretary must receive the written proposal at our principal executive offices not later than December 28, 2022. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to:

ORIC Pharmaceuticals, Inc.
Attention: Secretary
240 E. Grand Ave, 2nd Floor
South San Francisco, California 94080

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our bylaws provide that the only business that may be conducted at an annual meeting is business that is (i) specified in our proxy materials with respect to such meeting, (ii) otherwise properly brought before the annual meeting by or at the direction of the Board, (iii) provided in the certificate of designation for any class or

[Table of Contents](#)

series of preferred stock, or (iv) properly brought before the annual meeting by a stockholder of record entitled to vote at the annual meeting who has delivered timely written notice to our Secretary, which notice must contain the information specified in our bylaws. To be timely for our 2023 annual meeting of stockholders, our Secretary must receive the written notice at our principal executive offices:

- not earlier than February 17, 2023 at 8:00 a.m., Pacific Time; and
- not later than March 19, 2023 at 5:00 p.m., Pacific Time.

In the event that the date of the 2023 annual meeting of stockholders is changed by more than 25 days from the one-year anniversary of the date of the Annual Meeting, then notice by a stockholder of a stockholder proposal to be timely must be received by the Secretary of the Company not earlier than 8:00 a.m., Pacific Time, on the 120th day prior to such annual meeting of stockholders and not later than 5:00 p.m., Pacific Time, on the 10th day following the day on which Public Announcement (as defined below) of the date of such annual meeting is first made. That notice must state the information required by Section 2.4 of ORIC's bylaws, and otherwise must comply with applicable federal and state law. "Public Announcement" shall mean disclosure in a press release reported by a national news service or in a document publicly filed by the Company with the SEC pursuant to Section 13, 14 or 15(d) of the Exchange Act.

If a stockholder who has notified us of his, her or its intention to present a proposal at an annual meeting does not appear to present his, her or its proposal at such annual meeting, we are not required to present the proposal for a vote at such annual meeting.

Recommendation and Nomination of Director Candidates

You may recommend director candidates for consideration by our nominating and corporate governance committee. Any such recommendations should include the nominee's name and qualifications for membership on our board of directors and should be directed to our Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see "Board of Directors and Corporate Governance—Stockholder Recommendations for Nominations to the Board of Directors."

In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our bylaws. In addition, the stockholder must give timely notice to our Secretary in accordance with our bylaws, which, in general, require that the notice be received by our Secretary within the time period described above under "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

Availability of Bylaws

A copy of our bylaws may be obtained by accessing our public filings on the SEC's website at www.sec.gov. You may also contact our Secretary at our principal executive office for a copy of our bylaws containing the relevant provisions regarding the requirements for making stockholder proposals and nominating director candidates.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Our business affairs are managed under the direction of our board of directors, which is currently comprised of six (6) members. Our board of directors has affirmatively determined that five (5) of our six (6) directors, are independent within the meaning of the independent director requirements of The Nasdaq Stock Market LLC (“Nasdaq”). Our board of directors is divided into three classes with staggered three-year terms. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Upon the recommendation of our nominating and corporate governance committee, we are nominating Steven L. Hoerter and Angie You, Ph.D. for election as Class II directors at the Annual Meeting. If elected, Mr. Hoerter and Dr. You will each hold office for a three-year term until the 2025 annual meeting of stockholders or until their successors are duly elected and qualified or until their earlier death, resignation or removal.

The following table sets forth the names, ages as of March 31, 2022 and certain other information for the directors with terms expiring at the Annual Meeting (who are also nominees for election as a director at the Annual Meeting) and for each of the continuing directors:

Director Independence

Our common stock is listed on The Nasdaq Global Select Market. Under the rules of Nasdaq, independent directors must comprise a majority of a listed company's board of directors. In addition, the rules of Nasdaq require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and governance committees be independent. Audit committee members and compensation committee members must also satisfy the independence criteria set forth in Rule 10A-3 and Rule 10C-1, respectively, under the Exchange Act. Under the rules of Nasdaq, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

To be considered independent for purposes of Rule 10A-3 and under the rules of Nasdaq, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of our audit committee, our board of directors, or any other board committee: (i) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries; or (ii) be an affiliated person of the listed company or any of its subsidiaries.

To be considered independent for purposes of Rule 10C-1 and under the rules of Nasdaq, the board of directors must affirmatively determine that the member of the compensation committee is independent, including a consideration of all factors specifically relevant to determining whether the director has a relationship to the company which is material to that director's ability to be independent from management in connection with the duties of a compensation committee member, including, but not limited to: (i) the source of compensation of such director, including any consulting, advisory or other compensatory fee paid by the company to such director; and (ii) whether such director is affiliated with the company, a subsidiary of the company or an affiliate of a subsidiary of the company.

Our board of directors has undertaken a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our board of directors has determined that none of Ms. Dier, Dr. Heyman, Mr. Hoerter, Dr. Kunkel or Dr. You, representing five of our six current directors, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and that each of these directors is "independent" as that term is defined under the rules of Nasdaq. Our board of directors also determined that Ms. Dier (chairperson), Mr. Hoerter, and Dr. You, who currently comprise our audit committee, and Dr. Heyman (chairperson), Mr. Hoerter and Dr. Kunkel, who currently comprise our compensation committee, satisfy the independence standards for committee members established by applicable SEC rules and the listing standards of Nasdaq.

In making these determinations, our board of directors considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our board of directors

[Table of Contents](#)

deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and the transactions involving them described in the section titled “Related Party Transactions.”

There are no family relationships among any of our directors or executive officers.

Board Leadership Structure

Our board of directors is currently chaired by Dr. Heyman. As a general policy, our board of directors believes that separation of the positions of Chairman and Chief Executive Officer reinforces the independence of the board of directors from management, creates an environment that encourages objective oversight of management’s performance and enhances the effectiveness of the board of directors as a whole. As such, Dr. Chacko serves as our President and Chief Executive Officer while Dr. Heyman serves as our Chairman of the board of directors but is not an officer. We expect and intend the positions of Chairman of the board of directors and Chief Executive Officer to continue to be held by two individuals in the future.

Board Meetings and Committees

During 2021, our board of directors held five meetings (including regularly scheduled and special meetings), and each director attended at least 75% of the aggregate of (i) the total number of meetings of our board of directors held during the period for which he or she served as a director and (ii) the total number of meetings held by all committees of our board of directors on which he or she served during the periods that he or she served.

It is the policy of our board of directors to regularly have separate meeting times for independent directors without management. Although we do not have a formal policy regarding attendance by members of our board of directors at annual meetings of stockholders, we encourage, but do not require, our directors to attend.

We have established an audit committee, a compensation committee and a nominating and corporate governance committee. Each committee has the composition and responsibilities described below.

Audit Committee

The members of our audit committee are Ms. Dier, Mr. Hoerter and Dr. You, each of whom is a non-employee member of our board of directors. Ms. Dier serves as the chairperson of our audit committee. Our audit committee chairperson, Ms. Dier is our audit committee financial expert, as that term is defined under the SEC rules implementing Section 407 of the Sarbanes-Oxley Act of 2002, and she possesses financial sophistication, as defined under Nasdaq listing standards. Compensation Committee

The members of our compensation committee are Drs. Heyman and Kunkel, and Mr. Hoerter, each of whom is a non-employee member of our board of directors. Dr. Heyman serves as the chairperson of our compensation committee. All members of our compensation committee meet the requirements for independence under current Nasdaq listing standards and SEC rules and regulations. Each member of our compensation committee is also a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act. The purpose of our compensation committee is to oversee our compensation policies, plans and benefit programs and to discharge the responsibilities of our board of directors relating to compensation of our executive officers. The responsibilities of our compensation committee include, among other things:

- overseeing our overall compensation philosophy and compensation policies, plans and benefit programs;
- reviewing and approving or recommending to the board of directors for approval compensation for our executive officers and directors;
- preparing the compensation committee report that the SEC will require to be included in our annual proxy statement; and
- administering our equity compensation plans.

Our compensation committee operates under a written charter that satisfies the listing standards of Nasdaq. A copy of the charter of our compensation committee is available on our website at <https://investors.oricpharma.com> in the Corporate Governance section of our Investor Relations webpage. During 2021, our compensation committee held four meetings.

Nominating and Corporate Governance Committee

The members of our nominating and corporate governance committee are Drs. Heyman and You and Ms. Dier. Dr. Heyman serves as the chairperson of our nominating and corporate governance committee. All members of our nominating and corporate governance committee meet the requirements for independence under current Nasdaq listing standards and SEC rules and regulations. The responsibilities of our nominating and corporate governance committee include, among other things:

- identifying, evaluating and making recommendations to our board of directors regarding nominees for election to our board of directors and its committees;
- considering and making recommendations to our board of directors regarding the composition of our board of directors and its committees;
- reviewing developments in corporate governance practices;

- evaluating the adequacy of our corporate governance practices and reporting; and
- evaluating the performance of our board of directors and of individual directors.

Our nominating and corporate governance committee operates under a written charter that satisfies the listing standards of Nasdaq. A copy of the charter of our nominating and corporate governance committee is available on our website at <https://investors.oricpharma.com> in the Corporate Governance section of our Investor Relations webpage. During 2021, our nominating and corporate governance committee held three meetings.

Compensation Committee Interlocks and Insider Participation

None of the members of our compensation committee is or has been an officer or employee of our company, except for Dr. Heyman who has previously served as an executive officer. None of our executive officers currently serves, or in the past fiscal year has served, as a member of the board of directors or compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of any entity that has one or more executive officers serving on our board of directors or compensation committee.

Considerations in Evaluating Director Nominees

The nominating and corporate governance committee will consider candidates recommended by stockholders in the same manner as candidates recommended to the nominating and corporate governance committee from other sources.

In its evaluation of director candidates, including the members of our board of directors eligible for re-election, the nominating and corporate governance committee will consider such factors as character, professional ethics and integrity, judgment, business acumen, proven achievement and competence in one's field, the ability to exercise sound judgement, tenure on the board of directors and skills that are complementary to the board of directors, an understanding of ORIC's business, an understanding of the responsibilities that are required of a member of the board of directors, other time constraints, diversity with respect to professional background, education, race, ethnicity, gender, age, geography and other individual qualities and attributes that contribute to the total mix of viewpoints and experience represented on the board of directors. The nominating and corporate governance committee evaluates these factors, among others, and does not assign any particular weighting or priority to any of these factors. The nominating and corporate governance committee evaluates the board diversity requirements under Section 301.3 of the California Corporations Code, and our board of directors is compliant with these requirements.

The nominating and corporate governance committee may propose to our board of directors a candidate recommended or offered for nomination by a stockholder as a nominee for election to our board of directors. Additionally, the nominating and corporate governance committee may pay fees to third parties to assist in identifying or evaluating director candidates.

Stockholder Recommendations for Nominations to the Board of Directors

A stockholder that wants to recommend a candidate for election to our board of directors should direct the recommendation in writing by letter to the Company, attention of the Secretary, at 240 E. Grand Ave, 2nd Floor, South San Francisco, California 94080. The recommendation must include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the candidate confirming willingness to serve, information regarding any relationships between the candidate and the Company and evidence of the recommending stockholder's ownership of Company stock. Such recommendations must also include a statement from the recommending stockholder in support of the candidate, particularly within the context of the criteria for board membership, including issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest, other commitments and the like and personal references.

A stockholder that instead desires to nominate a person directly for election to our board of directors at an annual meeting of the stockholders must meet the deadlines and other requirements set forth in Section 2.4 of the Company's bylaws and the rules and regulations of the SEC.

For additional information regarding stockholder recommendations for director candidates, see "Questions and Answers About the Annual Meeting—*What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?*"

Communications with the Board of Directors

Our board of directors believes that management speaks for ORIC Pharmaceuticals, Inc. Individual board members may, from time to time, communicate with various constituencies that are involved with the Company, but it is expected that board members would do this with knowledge of management and, in most instances, only at the request of management.

In cases where stockholders and other interested parties wish to communicate directly with our non-management directors, messages can be sent to our Secretary, at ORIC Pharmaceuticals, Inc., 240 E. Grand Ave, 2nd Floor, South San Francisco, California 94080, Attn: Secretary. Our Secretary monitors these communications and will provide a summary of all received messages to the board of directors at each regularly scheduled meeting of the board of directors. Our board of directors generally meets on a quarterly basis. Where the nature of a communication warrants, our Secretary may determine, in his or her judgment, to obtain the more immediate attention of the appropriate committee of the board or non-management director, of independent advisors or of Company management, as our Secretary considers appropriate.

Our Secretary may decide in the exercise of his or her judgment whether a response to any stockholder or interested party communication is necessary.

This procedure for stockholder and other interested party communications with the non-management directors is administered by our nominating and corporate governance committee. This procedure does not apply to (a) communications to non-management directors from officers or directors of the Company who are stockholders, (b) stockholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act, or (c) communications to the audit committee pursuant to the Complaint Procedures for Accounting and Auditing Matters.

Corporate Governance Guidelines and Code of Business Conduct and Ethics

Our board of directors has adopted Corporate Governance Guidelines. These guidelines address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us in general. In addition, we have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. The code of business conduct and ethics is available on our website at <https://investors.oricpharma.com/corporate-governance>. We intend to disclose future amendments to such code, or any waivers of its requirements, applicable to any principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions or our directors on our website or in a current report on Form 8-K.

Role of the Board of Directors in Risk Oversight

One of the key functions of our board of directors is informed oversight of our risk management process. Our board of directors does not have a standing risk management committee, but rather administers this oversight function directly through the board of directors as a whole, as well as through its standing committees that address risks inherent in their respective areas of oversight. In particular, our board of directors is responsible for monitoring and assessing strategic risk exposure. Our audit committee is responsible for reviewing and

discussing our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies with respect to risk assessment and risk management. Our audit committee also monitors compliance with legal and regulatory requirements and reviews related party transactions, in addition to oversight of the performance of our external audit function. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines. Our compensation committee assesses and monitors whether any of our compensation policies and programs have the potential to encourage excessive risk-taking.

Director Compensation

Under our director compensation policy, each non-employee director receives the cash and equity compensation for board services described below. Our compensation committee has primary responsibility for reviewing and approving the compensation paid to non-employee directors. Our compensation committee reviews at least annually the type and form of compensation paid to our non-employee directors, which includes a market assessment and analysis by our independent compensation consulting firm, Radford, which is part of the Rewards Solutions practice at Aon plc, regarding practices at comparable companies. As part of this analysis, Radford reviews non-employee director compensation trends and data from companies comprising the same peer group used by our compensation committee in connection with its review of executive compensation. Based on this review, our compensation committee makes adjustments to the non-employee director compensation program in effort to provide competitive compensation to our non-employee directors.

In March 2022, our compensation committee, in consultation with Radford, reviewed our director compensation policy and recommended to the board of directors, and the board of directors approved, an amendment to our director compensation policy (the “2022 Director Compensation Amendment”) to increase the number of shares subject to the initial option award and annual option award to be made to our non-employee directors to 41,000 and 20,500, respectively. This amendment was approved to more closely align our director equity compensation practices with our comparable companies in an effort to continue to attract and retain non-employee directors.

The director compensation policy includes a maximum annual limit of \$500,000 of cash compensation and equity awards that may be paid, issued or granted to a non-employee director in any fiscal year, increased to \$750,000 in the fiscal year the non-employee director joins the board of directors as an outside director. For purposes of this limitation, the value of equity awards is based on the grant date fair value (determined in accordance with GAAP). Any cash compensation paid or equity awards granted to a person for their services as an employee, or for their services as a consultant (other than as a non-employee director), will not count for purposes of the limitation.

Cash Compensation

Non-employee directors are entitled to receive the following cash compensation for their services under the policy:

- \$35,000 per year for service as a board member;
- \$40,000 per year for service as chairman of the board;
- \$15,000 per year for service as chairperson of the audit committee;
- \$7,500 per year for service as an audit committee member;
- \$10,000 per year for service as chairperson of the compensation committee;
- \$5,000 per year for service as a compensation committee member;
- \$8,000 per year for service as chairperson of the nominating and corporate governance committee; and
- \$4,000 per year for service as a nominating and corporate governance committee member.

[Table of Contents](#)

Each non-employee director who serves as the chair of a committee shall not receive the additional annual cash fee as a member of the committee. The chairman of the board of directors shall receive the cash fee for service as chairman of the board in addition to the annual cash fee for service as a board member. All cash payments to non-employee directors are paid quarterly in arrears on a pro-rated basis.

Equity Compensation

Initial Option Award. Each person who first becomes a non-employee director will receive, on the date of the first board of directors or compensation committee meeting occurring on or after the date on which the person first becomes a non-employee director, an initial stock option award to purchase 33,250 shares of our common stock (increasing to 41,000 effective as of March 16, 2022, as a result of the 2022 Director Compensation Amendment). The initial stock option award will vest as to 1/36th of the total number of shares on each monthly anniversary of the commencement of the individual's service as a non-employee director, subject to their continued service to us through the applicable vesting date.

Annual Option Award. Each non-employee director automatically will receive, on the date of each annual meeting of our stockholders, an annual stock option award to purchase 16,625 shares of our common stock (increasing to 20,500 shares of our common stock effective as of March 16, 2022, as a result of the 2022 Director Compensation Amendment), except that if the individual becomes a non-employee director on a date other than the date of an annual meeting of stockholders, the number of shares issued at the next annual meeting of stockholders will be calculated as follows (x) 16,625 (20,500 shares effective of March 16, 2022) shares divided by (y) (1) the total number of fully completed months between the date the individual becomes a non-employee director and the date of the annual meeting of stockholders on which such annual stock option award is granted divided by (2) twelve (rounded to the nearest whole share). The annual stock option award will vest in full on the earlier to occur of the one-year anniversary of the grant of such annual stock option award or the business day prior to the next annual meeting of stockholders to occur following the date such award was granted, subject to the non-employee director's continued service through the applicable vesting date.

In the event of a "change in control" (as defined in our 2020 Plan), each non-employee director will fully vest in their outstanding company equity awards, including any initial stock option award or annual stock option award, immediately prior to the consummation of the change in control. All initial stock option awards and annual stock option awards will have an exercise price equal to the fair market value of a share of our common stock on the date of grant, and a maximum term of 10 years.

The following table presents the total compensation each of our non-employee directors earned during the year ended December 31, 2021. Dr. Chacko was our only employee who served as a director during 2021. See the section titled "Executive Compensation" for information about Dr. Chacko's compensation.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Our board of directors is currently composed of six (6) members. In accordance with our certificate of incorporation, our board of directors is divided into three classes with staggered three-year terms. At the Annual Meeting, two Class II directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of such director's successor, or such director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our board of directors may have the effect of delaying or preventing changes in control of our company.

Nominees

Our nominating and corporate governance committee has recommended, and our board of directors has approved Steven L. Hoerter and Angie You, Ph.D. as nominees for election as Class II directors at the Annual Meeting. If elected, each of Mr. Hoerter and Dr. You will serve as Class II directors until the 2025 annual meeting of stockholders or until their successors are duly elected and qualified or until their earlier death, resignation or removal. Mr. Hoerter and Dr. You are currently directors of our company, and each has agreed to being named in this proxy statement as nominees. For information concerning the nominees, please see "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card but do not give instructions with respect to the voting of directors, your shares will be voted FOR the election of Mr. Hoerter and Dr. You. We expect that Mr. Hoerter and Dr. You will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by our board of directors to fill such vacancy. If you are a beneficial owner of shares of our common stock and you do not give voting instructions to your broker, bank or other nominee, then your broker, bank or other nominee will leave your shares unvoted on this matter.

Vote Required

The election of two Class II directors requires a plurality of the voting power of the shares present in person (virtually) or represented by proxy at the Annual Meeting and entitled to vote on the election of directors be approved. Broker non-votes will have no effect on this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE TWO DIRECTORS NOMINATED BY OUR BOARD OF DIRECTORS AND NAMED IN THIS PROXY STATEMENT AS CLASS II DIRECTORS TO SERVE FOR A THREE-YEAR TERM.

PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our audit committee has appointed KPMG LLP as our independent registered public accounting firm to audit our financial statements for our fiscal year ending December 31, 2022. KPMG LLP has served as our independent registered public accounting firm since 2018.

At the Annual Meeting, stockholders are being asked to ratify the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022. Stockholder ratification of the appointment of KPMG LLP is not required by our bylaws or other applicable legal requirements. However, our board of directors is submitting the appointment of KPMG LLP to our stockholders for ratification as a matter of good corporate governance. In the event that this appointment is not ratified by the affirmative vote of a majority of the voting power of the shares present in person (virtually) or represented by proxy at the Annual Meeting and entitled to vote on the subject matter (*i.e.*, Proposal No. 2), such appointment will be reconsidered by our audit committee. Even if the appointment is ratified, our audit committee, in its sole discretion, may appoint another independent registered public accounting firm at any time during our fiscal year ending December 31, 2022 if our audit committee believes that such a change would be in the best interests of ORIC and its stockholders. A representative of KPMG LLP is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she wishes to do so, and is expected to be available to respond to appropriate questions from stockholders.

- (1) "Audit Fees" consist of fees billed for professional services rendered in connection with our initial public offering, the audit of annual financial statements, the review of financial statements included in our quarterly reports, and comfort letters and consents in connection with equity offerings.
- (2) "Tax Fees" consist of fees billed for tax consultation services.
- (3) "All Other Fees" consist of fees billed for a subscription to an online accounting research service.

Auditor Independence

In 2021, there were no other professional services provided by KPMG LLP that would have required our audit committee to consider their compatibility with maintaining the independence of KPMG LLP.

Audit Committee Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our audit committee has established a policy governing our use of the services of our independent registered public accounting firm. Under the policy, our audit committee is required to pre-approve all audit and permissible non-audit services performed by our independent registered public accounting firm in order to ensure that the provision of such services does not impair such accounting firm's independence. All fees paid to KPMG LLP for our fiscal years ended December 31, 2021 and December 31, 2020 were pre-approved by our audit committee.

Vote Required

The ratification of the appointment of KPMG LLP requires the affirmative vote of a majority of the voting power of the shares present in person (virtually) or represented by proxy at the Annual Meeting and entitled to vote on the subject matter (*i.e.*, Proposal No. 2).

Abstentions will have the effect of a vote AGAINST the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR OUR FISCAL YEAR ENDING DECEMBER 31, 2022.

AUDIT COMMITTEE REPORT

The information contained in the following Audit Committee Report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that ORIC Pharmaceuticals, Inc., or the Company, specifically incorporates it by reference in such filing.

The audit committee serves as the representative of our board of directors with respect to its oversight of:

- our accounting and financial reporting processes and the audit of our financial statements;
- the integrity of our financial statements;
- our compliance with legal and regulatory requirements;
- inquiring about significant risks, reviewing our policies for risk assessment and risk management, and assessing the steps management has taken to control these risks; and
- the independent registered public accounting firm’s appointment, qualifications and independence.

The audit committee also reviews the performance of our independent registered public accounting firm, KPMG LLP, in the annual audit of our financial statements and in assignments unrelated to the audit, and reviews the independent registered public accounting firm’s fees.

The audit committee is composed of three non-employee directors. Our board of directors has determined that each member of the audit committee is independent, and that Ms. Dier qualifies as an “audit committee financial expert” under the SEC rules.

The audit committee provides our board of directors such information and materials as it may deem necessary to make our board of directors aware of financial matters requiring the attention of our board of directors. The audit committee reviews our financial disclosures and meets privately, outside the presence of our management, with our independent registered public accounting firm. In fulfilling its oversight responsibilities, the audit committee reviewed and discussed the audited financial statements in our 2021 Annual Report on Form 10-K with management, including a discussion of the quality and substance of the accounting principles, the reasonableness of significant judgments made in connection with the audited financial statements, and the clarity of disclosures in the financial statements. The audit committee reports on these meetings to our board of directors.

The audit committee has reviewed and discussed the Company’s audited financial statements with management and KPMG LLP, the Company’s independent registered public accounting firm. The audit committee has discussed with KPMG LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the “PCAOB”) and the Securities and Exchange Commission.

The audit committee has received and reviewed the written disclosures and the letter from KPMG LLP required by the applicable requirements of the PCAOB regarding KPMG LLP’s communications with the audit committee concerning independence and has discussed with KPMG LLP its independence. In addition, the audit committee has discussed with KPMG LLP its independence from management and the Company, including matters in the letter from KPMG LLP required by PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, and considered the compatibility of non-audit services with KPMG LLP’s independence.

Based on the review and discussions referred to above, the audit committee recommended to our board of directors that the Company’s audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2021 for filing with the Securities and Exchange Commission. The audit committee also has selected KPMG LLP as the independent registered public accounting firm for fiscal year 2022. Our board of directors recommends that stockholders ratify this selection at the Annual Meeting.

Respectfully submitted by the members of the audit committee of the board of directors:

Mardi C. Dier (Chair)
Steven L. Hoerter
Angie You, Ph.D.

EXECUTIVE COMPENSATION

Processes and Procedures for Compensation Decisions

Our compensation committee is responsible for the executive compensation programs for our executive officers and reports to our board of directors on its discussions, decisions and other actions. Typically, our Chief Executive Officer makes recommendations to our compensation committee, often attends committee meetings and is involved in the determination of compensation for the respective executive officers who report to him, except that our Chief Executive Officer does not make recommendations as to his own compensation. Our Chief Executive Officer makes recommendations to our compensation committee regarding short- and long-term compensation for all executive officers (other than himself) based on our results, an individual executive officer's contribution toward these results and individual goal achievement. Our compensation committee then reviews the recommendations and other market data. Our compensation committee makes decisions as to total compensation for each executive officer (excluding our Chief Executive Officer, whose compensation is determined by our board of directors), although it may instead, in its discretion, make recommendations to our board of directors regarding executive compensation.

Our compensation committee is authorized to retain the services of one or more executive compensation advisors, as it sees fit, in connection with the establishment of our compensation programs and related policies. In 2021, our compensation committee retained Radford, an independent compensation consultant, to provide it with information, recommendations and other advice relating to executive compensation on an ongoing basis. Radford serves at the discretion of our compensation committee. Our compensation committee engaged Radford to assist in developing an appropriate group of peer companies to help us determine the appropriate level of overall compensation for our executive officers, as well as assess each separate element of compensation, with a goal of ensuring that the compensation we offer to our executive officers is competitive and fair. Our named executive officers for 2021, which consist of our principal executive officer and the next two most highly compensated executive officers, are:

- Jacob M. Chacko, M.D., President and Chief Executive Officer;
- Dominic Piscitelli, Chief Financial Officer; and
- Pratik Multani, M.D., Chief Medical Officer.

Non-Equity Incentive Plan Compensation

At the beginning of each of 2019, 2020, and 2021, we adopted a bonus plan for our executive and non-executive employees that provides for cash incentives for performance in the applicable year. Each of the 2019, 2020, and 2021 bonus opportunities for our executives was based on the assessment of our board of directors of the achievement of company objectives that were established by our board of directors or our compensation committee, as applicable, at the beginning of the applicable year as well as other achievements which occurred during the year. The company objectives for each of 2019, 2020, and 2021 consisted of product development and pipeline goals as well as corporate development goals. Based on our performance against the approved company objectives and, in the case of 2021, our achievement of certain other operational milestones during the year, our board of directors or our compensation committee, as applicable, determined to fund the 2019 bonus plan at 95% of the target level, the 2020 bonus plan at 123% of the target level, and the 2021 bonus plan at 125% of the target level.

The amounts in the Summary Compensation Table under the column “Non-equity incentive plan compensation” are based on the named executive officer’s target bonus amount multiplied by the achievement percentage set by our board of directors or our compensation committee, as applicable, consistent with the determinations under the applicable year’s bonus plan (and further pro-rated based on the period of time during which they were employed with us during the year).

Inducement Plan

The 2022 Inducement Plan was established by the compensation committee of our board of directors on March 1, 2022 with the purpose of attracting and retaining employees for our success. In accordance with Nasdaq rules, this plan is used to offer equity awards as material inducements for new employees to join us. Subject to adjustment for certain changes in our capitalization, the maximum aggregate number of shares that may be issued under the 2022 Inducement

[Table of Contents](#)

Plan is 500,000. The equity grants awarded under the 2022 Inducement Plan are expected to be primarily in the form of stock options and restricted stock units but this plan also provides for the granting of other types of equity awards. As of April 18, 2022, no equity awards have been granted under the 2022 Inducement Plan.

Potential Payments upon Termination or Change in Control

We adopted a Change in Control and Severance Policy, or our Severance Policy, pursuant to which our named executive officers and certain other key employees are eligible to receive severance benefits, as specified in and subject to the employee signing a participation agreement under our Severance Policy. This Severance Policy was developed with input from Radford, regarding severance practices at comparable companies. It is designed to attract, retain and reward senior level employees. The Severance Policy is in lieu of any other severance payments and benefits to which our named executive officers and key employee were entitled prior to signing the participation agreement under the Severance Policy.

Each of our named executive officers signed a participation agreement under our Severance Policy providing for the rights to the applicable payments and benefits described below.

In the event of a termination of the employment of a named executive officer by the named executive officer for “good reason” or by us for a reason other than “cause,” death or “disability” (as such terms are defined in our Severance Policy), in each case, that occurs outside a period beginning on a “change in control” (as defined in our Severance Policy) and ending twelve months following a change in control (such period, the “change in control period”), then the named executive officer will be entitled to, in addition to any accrued benefits, the following payments and benefits:

- payment of his base salary as in effect immediately prior to his termination of employment for a period of nine months (twelve months, in the case of Dr. Chacko) following his termination date;
- continuing payments equal to the monthly premium cost of continued health coverage under COBRA, for him and his eligible dependents for a period of up to nine months (twelve months, in the case of Dr. Chacko) if he timely elects COBRA coverage, or a taxable lump sum payment in lieu thereof equal to nine months (twelve months, in the case of Dr. Chacko) of such premiums; and
- in the case of Dr. Chacko only, and provided such termination occurs after the thirty-month anniversary of the date he commenced employment with us, acceleration of vesting of his then outstanding time-based equity awards that would have become exercisable had he continued to be employed for an additional twelve months following the date of his termination of employment.

In the event of a termination of the employment of a named executive officer by the named executive officer for “good reason” or by us for a reason other than “cause,” death or “disability,” in each case, that occurs within the change in control period, then the named executive officer will be entitled to, in addition to any accrued benefits, the following payments and benefits:

- a lump sum payment equal to twelve months (eighteen months, in the case of Dr. Chacko) of the named executive officer's annual base salary as in effect immediately prior to the named executive officer's termination of employment;
- a lump sum payment equal to 100% (150%, in the case of Dr. Chacko) of the named executive officer's target annual bonus for the year in which the named executive officer's termination of employment occurred;

Table of Contents

- continuing payments equal to the monthly premium cost of COBRA, for a period of up to twelve months (eighteen months in the case of Dr. Chacko) if he timely elects COBRA coverage, or a taxable lump sum payment in lieu thereof equal to twelve months (eighteen months, in the case of Dr. Chacko) of such premiums; and
- all unvested shares subject to then-outstanding equity awards held by him will accelerate in full and, in the case of performance-based awards, all performance goals will be deemed achieved at 100% unless otherwise set forth in his award.

The receipt of the payments and benefits provided for under the Severance Policy described above is conditioned on the named executive officer signing and not revoking a separation and release of claims agreement and such release becoming effective and irrevocable no later than the 60th day following the named executive officer's termination of employment.

If any of the payments or benefits provided for under the Severance Policy or otherwise payable to a named executive officer would constitute "parachute payments" within the meaning of Section 280G of the Code and could be subject to the related excise tax, the named executive officer will receive either full payment of such payments and benefits or such lesser amount that would result in no portion of the payments and benefits being subject to the excise tax, whichever results in the greater amount of after-tax benefits to them. We are not obligated to provide any tax gross-up payments to our named executive officers.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the beneficial ownership of our common stock as of March 31, 2022 by:

- each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our common stock;
- each of the named executive officers;
- each of our directors; and
- all of our current executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules of the SEC, and thus it represents sole or shared voting or investment power with respect to our securities. Unless otherwise indicated below, to our knowledge, the persons and entities named in the table have sole voting and sole investment power with respect to all shares that they beneficially owned, subject to community property laws where applicable. The information does not necessarily indicate beneficial ownership for any other purpose, including for purposes of Sections 13(d) and 13(g) of the Exchange Act.

We have based our calculation of the percentage of beneficial ownership on 39,440,399 shares of our common stock outstanding as of March 31, 2022. We have deemed shares of our common stock subject to stock options that are currently exercisable or exercisable within 60 days of March 31, 2022, to be outstanding and to be beneficially owned by the person holding the stock option for the purpose of computing the percentage ownership of that person. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o ORIC Pharmaceuticals, Inc., 240 E. Grand Ave, 2nd Floor, South San Francisco, California 94080.

RELATED PARTY TRANSACTIONS

We describe below transactions and series of similar transactions, since the beginning of our last fiscal year, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, nominees for director, executive officers or beneficial holders of more than 5% of our outstanding capital stock, or any immediate family member of, or person sharing the household with, any of these individuals or entities (each, a related person), had or will have a direct or indirect material interest.

Investors' Rights Agreement

We are party to an investors' rights agreement, as amended, with certain holders of our capital stock, including entities affiliated with The Column Group II, LP, Topspin Fund, LP, OrbiMed Private Investments VI, LP and EcoR1 Capital, LLC. Under our investors' rights agreement, certain holders of our capital stock have the right to demand that we file a registration statement or request that their shares of our capital stock be covered by a registration statement that we are otherwise filing.

Indemnification Agreements

We have entered into separate indemnification agreements with each of our directors and executive officers, in addition to the indemnification provided for in our amended and restated certificate of incorporation and bylaws. The indemnification agreements and our amended restated certificate of incorporation and bylaws require us to indemnify our directors, executive officers and certain controlling persons to the fullest extent permitted by Delaware law.

Related Party Transaction Policy

Our audit committee will have the primary responsibility for reviewing and approving or disapproving "related party transactions," which are transactions between us and related persons in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. The charter of our audit committee provides that our audit committee shall review and approve in advance any related party transaction.

In February 2020, our board of directors adopted a formal written policy providing that we are not permitted to enter into any transaction that exceeds \$120,000 and in which any related person has a direct or indirect material interest without the consent of our audit committee, subject to limited exceptions. In approving or rejecting any such transaction, our audit committee is to consider the relevant facts and circumstances available and deemed relevant to our audit committee, including whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction.

OTHER MATTERS

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of our common stock, file reports of ownership and changes of ownership with the SEC. Such directors, executive officers and 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this proxy statement anyone who filed a required report late during the most recent fiscal year. Based on our review of forms we received, or written representations from reporting persons stating that they were not required to file these forms, we believe that during our fiscal year ended December 31, 2021, all Section 16(a) filing requirements were satisfied on a timely basis.
